In recent years, there has been a very positive trend whereby current and former players are joining the bench staff of our teams as coaches and assistants. These individuals provide a great benefit to our younger players both with their knowledge of playing the game and as role models. We also recognize that this creates additional costs, particularly when traveling to out of town tournaments which the teams, and ultimately the parents, must bear. In order to encourage the practice of having these players give back by joining the bench staff of our teams we have instituted a program to defray a portion of these additional costs.

Conditions for the Developmental Coach Reimbursement are:

1. The bench staff member must be a current or former Ringette player.
2. The bench staff member must not be immediate family of a player on the team.
3. The bench staff member must not be immediate family of another bench staff member unless that bench staff member is also eligible for this program.
4. Eligible expenses consist of the cost of out of town accommodation when traveling with the team for tournaments or other events where:
 - a. The bench staff member is not also participating in the event as a player.
 - b. The accommodation expenses are paid by the team.
 - c. All options for sharing accommodations with immediate family or "2 same gender per room" have been exhausted.
5. Reimbursement for a specific individual cannot be claimed by more than one team.
6. The amount reimbursed for each eligible bench staff shall be the lesser of the actual eligible expenses paid by the team or \$250.
7. A maximum of two bench staff members are eligible from any team; total rebate per team cannot exceed \$500.

Please submit a completed form to the Nepean Ringette Treasurer – Terry Simpson, by March 1, 2018. Applications will be reviewed by the NRA before cheques are issued.
